ANNEXURE II
CORPORATE GOVERNANCE REPORT

A BRIEF STATEMENT ON COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

The Company's philosophy on Corporate Governance envisages attainment of the highest levels of transparency, accountability and equity in all facets of its operations and in all its transactions with its stakeholders, including its employees, customers, shareholders, suppliers, partners, supporting agencies, Government, and society at large.

The overall responsibility for guiding Corporate Governance within the Company rests with the Board of Directors ('the Board'), which has put in place appropriate policies, guidelines and processes. The day-to-day implementation and monitoring of these policies, guidelines and processes rest with the Management of the Company and are in consonance with the requirements of the Companies Act, 2013, as amended from time to time, and applicable SEBI Regulations, including SEBI (LODR). Keeping in view the Company's size, complexity, and corporate traditions, Company has adopted the following main principles and philosophies:

- I. Constitution of the Board of the Company and Committees of Directors of appropriate composition, size and expertise.
- II. Complete transparency in the operations of the Company.
- III. Maintaining prescribed levels of disclosure and complete openness in communication.
- IV. Independent verification and safeguarding integrity of the Company's financial reporting.
- V. A sound system of risk management and internal control.
- VI. Timely and balanced disclosure of all material information concerning the Company to its stakeholders.

ANNEXURE V MANAGEMENT DISCUSSION AND ANALYSIS

1. INDUSTRY STRUCTURE AND DEVELOPMENTS:

India's economy is projected to grow by 7% in 2025, according to a report by the IMF which noted that multinationals extending their manufacturing processes into the country to diversify their supply chains will have a positive impact on Indian exports. The expansion in 2024 was driven by strong public investment outlays as well as the vitality of the services sector which benefited from robust local demand for consumer services and firm external demand for the country's business services exports. These factors are expected to continue to support growth in India in 2025. Adverse economic conditions prevailed in major importing Countries, coupled with the Red Sea crisis are impacting the export of Indian textile products, including ready-made garments, to foreign destinations. However, with the US market showing signs of revival, experts believe exports to improve in the upcoming months. The domestic market, which accounts for around three-fourths of the overall demand, continues to witness a steady growth. Demand ahead of the spring-summer season in the West is likely to boost the off take of garments from India, thereby supporting the growth of the entire value chain. With better consumer demand big retailers in the overseas markets will have to restock inventory, improving order flow from Indian exporters. A favorable landscape marked by easing cost pressures and demand revival is likely to support the growth of Indian textiles in 2025. Addressing structural challenges and leveraging policy support are pivotal for the textile industry's sustained growth.

Indian Textiles Industry:

India's textiles sector is one of the oldest industries in the Indian economy, dating back to several centuries. The industry is extremely varied, with hand-spun and hand-woven textiles sectors at one end of the spectrum, with the capital-intensive sophisticated mills sector at the other end. The fundamental strength of the textile industry in India is its strong production base of a wide range of fiber/yarns from natural fibers like cotton, jute, silk and wool, to synthetic/man-made fibers like polyester, viscose, nylon and acrylic. The decentralized

power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles makes it unique in comparison to other industries in the country. India's textiles industry has a capacity to produce a wide variety of products suitable for different market segments, both within India and across the world.

2. OPPORTUNITIES AND THREATS:

The promoters of your company are planning to enter into retail industries, currently the retail market is lucrative when compared with manufacturing industries and thereby have the hope of recovering from the present financial crisis.

Opportunities:

India is one of the fastest-growing economies and this creates a boost in the purchasing power of the people while it also spurs the demand of products of the textile industry. This boost results in a wide range of capacity to manufacture different products that can be transported within India as well as across the world. Apart from this, India has one of the most extremely varied textile sectors as it has hand-woven textiles on one end while capital intensive mills on the other end which results in an enormous number of opportunities in the textile industry.

Threats:

Though there are many opportunities and investments in the textile industry, like any other industry, the textile industry of India also undergoes certain challenges. The frequently changing policies stated by the government at the central and state levels create immense pressure on the textile industry. Another challenge that the textile industry faces is the limitation to access the latest and best technology while also failing to meet the global standards in the competitive export market. Apart from these issues like competition from neighboring countries regarding low-cost garments is also the challenge the Indian textile industry faces.

3. SEGMENT WISE PERFORMANCE AND COMPANY OUTLOOK:

Due to:

- Increase in cost of raw material
- No substantial increase in the selling price of finished product (Cotton Yam)
- Regular absenteeism of the workmen
- Frequent interruption in the power supply
- Increase in the cost of electricity
- Higher Indirect Taxes, Power and Interest Rates
- Non favorable market conditions to the textile industry.
- There is Declining in Mill Segment.

Company was unable to run the factory, and the production was stopped from the end of July 2011, and the promoters, requested the Hon'ble Labour Department to grant the permission for closure of the factory. The Hon'ble labour department has granted the permission to close the factory located at Nanjangud vide its order No Ka.Ee 114 LMW 2007 dated 29th November 2011. PASARI SPINNING MILLS LIMITED was undertaking manufacture of Cotton Yarn at its Unit located at KIADB Industrial Area, Nanjangud, and Mysore District with spindle capacity of 17,472.

4. OUTLOOK:

The promoters of your company are planning for entering into retail industries, currently the retail market is lucrative when compared with manufacturing industries and thereby have the hope of recovering from the present financial crisis

5. RISK AND CONCERNS:

Risks:

General Economic conditions:

Presence in a highly competitive market and dependence on government & policy support and any slowdown in the global and/or Indian economy could adversely affect our business.

Textile business in general is sensitive to fluctuations in the economy. Since Worldwide spread of Novel Corona Virus (Covid-19), disruption of supply chain and elimination of Quota system will lead to fluctuations in Export demand and Continuous Quality Improvement is need of the hour as there are different demand patterns all over the world, could lead to a downturn in the Textile Industry.

Socio-political risks:

In addition to economic risks, the Company faces risks from the socio-political environment, internationally as well as within the country and is affected by events like political instability, extreme weather conditions, Unfavorable labour Laws and natural calamities etc.

Concerns:

The Promoters of your Company, taken the permission for closure of the Factory from the Hon'ble labour department, Government of Karnataka, which stopped the further losses of the Company

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

Company has reviewed internal controls and its effectiveness through the internal audit process. Internal audits were undertaken for every operational unit and all major corporate functions under the direction of the Audit committee.

The focus of these reviews is as follows:

- Identify weakness and areas of improvement
- Safeguarding of tangible and intangible assets
- Management of business and operational risks
- Compliance with applicable statutes.
- Compliance with the Pasari "Code of Conduct".

The Audit Committee of the Board oversees the adequacy of the internal control environment through regular reviews of the audit findings and monitoring implementations of internal audit recommendations through the compliance reports submitted to them.

7. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:

The Company could not achieve the targeted results because of Closure of the factory.

8. MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

Your Company had not employed workers and staff including the factory and head office.

INDEPENDENT AUDITOR'S REPORT
2024-2025
PASARI SPINNING MILLS LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF PASARI SPINNING MILLS LIMITED

Report on the Audit of the Financial Statements Opinion

OPINION:

We have audited the accompanying financial statements of PASARI SPINNING MILLS LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 its Profit and other comprehensive income, its changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION:

We conducted our audit in accordance with the standards on auditing specified under section 14(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

EMPHASIS OF MATTER PARAGRAPH:

Emphasis of matter paragraphs are those matters that is of such importance that it is fundamental to users' understanding of the financial statements or as appropriate any other matter that is relevant to users' understanding of the audit, the auditor's responsibilities or the auditor's report.

1. We draw attention to Note No. 3 - Property, Plant and Equipment to the Financial Statements, wherein the Company has carried all assets at their nominal values and no revaluation was conducted to reassess their fair value or current condition.
2. We draw attention to Note No. 15(a) - Provisions of the Financial Statements to the Financial Statements, wherein the Company has not paid property tax since the financial year 2019 - 2020. The Company has, however, created an estimated provision of Rs. 15.87 lakhs towards this liability.
3. We draw attention to Note No. 25- Other Disclosures of the Notes to the Financial Statements wherein the Company has provided for an amount of Rs. 63.90 Lakhs owing to non-progress of the legal dispute with the Cotton Corporation of India Limited. Further the balance litigated amount of Rs.639.22 lakhs has been disclosed as Contingent Liability.
4. Pursuant to Section 134 of the Companies Act, 2013 the Financial Statements of the Company must be signed by any two directors (one of whom shall be the Managing Director), the Chief Executive Officer, the Chief Financial Officer and the Company Secretary of the Company, wherever they are appointed. However, it is observed that the Chief Financial Officer has not signed the Financial Statements of the Company.

OUR OPINION IS NOT QUALIFIED IN RESPECT OF THE ABOVE MATTERS:

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard. When we read the Management Discussion and Analysis and Board of Directors' Report along with its Annexure, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and describe actions applicable under the applicable laws and regulations.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS:

The Company's Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. That Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the over ride of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
4. Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If it is concluded that a material uncertainty exists, the auditor must highlight the related disclosures in the financial statements within the auditor's report, or, where such disclosures are inadequate, modify the opinion accordingly. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of an ably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit of the financial statements, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of changes in equity and the cash flow statement dealt with by this report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian accounting standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015; as amended.
 - e) On the basis of the written representations received from the Directors as on March 31, 2025 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in

“Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us.

i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements -Refer Note 23(iii) to the financial statements.

ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

iii) There is no requirement of transferring the amounts, to the Investor Education and Protection Fund by the Company.

iv) a) The Management has represented to us that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

b) The Management has represented to us, that, to the best of its knowledge and belief no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

c) Based on the information and explanation given to us and audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub-clause (a) and (b) as above, contain any material misstatement.

v) The Company has not declared any dividend during the previous and current year.

vi) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE A

Referred to in paragraph 1 under 'Report on other legal and regulatory requirement's section of our report to the members of Pasari Spinning Mills Limited of even date:

i) A) a)The Company is maintaining proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.

b) The Company is maintaining proper records showing full particulars of intangible assets.

B) The fixed assets of the Company were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

C) According to the information and explanations given to us and on the basis of our examination of records of the Company, the title deeds of immovable properties are held in the name of the Company as at balance sheet date.

D) The Company has not revalued its Property, Plant & Equipment (including right of-use assets) and intangible assets during the year.

E) According to the information and explanations provided to us, there are no proceedings that have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder.

ii) A) The Company does not carry any inventories and hence, therefore, the provisions stated under paragraph 3(i) of the Order are not applicable to the Company.

B) As per the information and explanations provided to us, the Company has not taken any working capital loan by way of providing security on current assets. Accordingly, the provisions stated under clause 3(iii)(b) of the Order are not applicable to the Company.

iii) As per the information and explanation given to us, the Company has not granted any loans, secured or unsecured, to companies, Limited Liability Partnerships or other parties covered in the register maintained under Section 185 of the Act during the year and hence, accordingly, the provisions stated under Paragraph 3(iii) of the Order, 2020 are not applicable.

iv) In our opinion and according to the information and explanations given to us, in respect of loans, investments, guarantees, and security, there are no terms and conditions attached to the loans taken by the Company from related parties. There is also no stipulation of schedule of repayment of interest and principal and these loans are interest free and repayable on demand. Hence, we are unable to comment on the Company's compliance of Sections 185 and 186 of the Companies Act, 2013.

v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits and accordingly paragraph 3 (v) of the order is not applicable.

ANNEXURE B

Referred to in paragraph 2(f) under 'Report on other legal and regulatory requirements' section of our report to the Members of Pasari Spinning Mills Limited of even date.

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act").

We have audited the Internal Financial Controls over Financial Reporting of PASARI SPINNING MILLS LIMITED ("the Company") as at March 31, 2025, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2025

Note 1: General Information

The Company was incorporated on 25th November 1991, vide CIN: L85110KA1991PLC012537, to carry on the business of Textile, Spinning, Weaving, Dying and Printing factories, conventional or modern using cotton, silk, wool, polyester fiber.

The Company has discontinued its production operations from the financial year 2010-11. The Company has no intention to continue the production operations henceforth and has decided to lease out the Factory premises. The Company has not made any sales during the current year.

Note 2: Summary of Significant Accounting Policies

(i) Basis of preparation:

(a) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended March 31, 2025 which were prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act.

(b) Historical cost convention:

The financial statement has been prepared on a historical cost basis, except for:

- certain financial assets and liabilities (including derivative instruments) that are measured at fair value

(c) The assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

(ii) Revenue recognition:

Revenue is measured at the fair value of the consideration received or receivable. The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that the future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as mentioned below.

(a) Sale of products is recognised when the significant risks and rewards of ownership in the goods are transferred to the buyer which is based on the agreed terms. Revenue is based on price agreed with the customers. Amounts disclosed as revenue are net of returns, trade discounts, cash discounts, sales incentives, sales tax, etc.

(b) Rental income arising from operating lease of investment properties is accounted on accrual basis based on contractual terms with the lessee and is disclosed under other operating revenue in statement of profit and loss.

(iii) Investments and other financial assets:

(a) Classification

The Company classifies its financial assets under the following measurement categories:

- those to be measured subsequently at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in statement of profit and loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity instrument at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

M/S. PASARI SPINNING MILLS LIMITED

Regd Office: NO 18 IIIRD FLOOR, ANJANEYA TEMPLE ROAD, YEDIYUR, JAYANAGAR 6TH BLOCK, BANGALORE - 560082

Notes to the Financial Statements for the year ended March 31, 2025

(b) Initial recognition and measurement

All financial assets are recognised initially at its fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in statement of profit and loss.

(c) Subsequent measurement

Financial assets that are held for collection of contractual cash flows, where those cash flows represent solely payments of principal and interest, are measured at amortised cost.

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest, are measured at FVOCI. All equity investments are measured at fair value through other comprehensive income, except for investments in subsidiary/ associate which is measured at cost. Changes in the fair value of financial assets are recognised in statement of other comprehensive income. In those cases, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss.

Financial assets that do not meet the criteria for amortised cost or FVOCI are measured at FVTPL. A gain or loss on such financial assets that are subsequently measured at FVTPL and is recognised and presented in the statement of profit and loss.

(d) Impairment of financial assets

Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value. The Company assesses the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. The losses arising from impairment are recognised in the profit or loss.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(e) Derecognition of financial assets

The Company derecognises a financial asset when the contractual right to the cash flows from the financial asset expire or it transfers substantially all risk and rewards of ownership of the financial asset. A gain or loss on such financial assets that are subsequently measured at amortised cost is recognised in statement of profit and loss when the asset is derecognised.

(f) Income recognition

Interest income

Interest income from financial assets measured at amortised cost is recognised using the effective interest rate method and are disclosed in statement of profit and loss.

Dividends

Dividends from equity instruments are recognised as other income in statement of profit and loss only when the right to receive payment is established.

(iv) Property, plant and equipment:

Freehold land is carried at historical cost and other items of property, plant and equipment including capital spares are stated at cost of acquisition or construction less accumulated depreciation when, it is probable that future economic benefits associated with the item will flow to the Company and it can be used for more than one year and the cost can be measured reliably.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it meets the recognition criteria as mentioned above. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Gains and losses on disposal are determined by comparing proceeds with carrying amount.

Depreciation on property, plant and equipments is provided using the straight line method. As required under Schedule II to the Companies Act 2013, the Company periodically assesses the estimated useful life of its tangible assets based on the technical evaluation considering anticipated technological changes and actual usage of the assets.

Low value assets not exceeding INR 5,000/- per unit are depreciated at 100%.

(v) Investment properties:

Property that is held for rental income and that is not occupied by the Company, is classified as investment property. Investment properties are measured initially at cost, including related transaction cost. It is carried at cost less accumulated depreciation. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost can be measured reliably. All other repairs and maintenance costs are expensed when incurred.

Land is carried at historical cost; however, buildings are depreciated using the straight line method over their estimated useful lives as mentioned in 2(iv) above.

(vi) Inventories:

Raw Materials, Consumable stores and spares are valued at lower of cost or market value after providing for obsolescence and depletion in value wherever applicable.

(vii) Retirement benefits:

- (a) Contributions to PF/EPF are accounted on accrual basis.
(b) Gratuity and leave encashment are accounted on cash basis.

(viii) Foreign currency transactions:

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. Foreign currency monetary Assets and Liabilities are translated at year end exchange rates. The exchange difference arising on settlement of transactions and translation of monetary items are recognized as income or expense in the year in which they arise, except in case of the liabilities for the acquisition of fixed assets, where such exchange difference is adjusted in the carrying cost of fixed assets. This is not applicable to the Company.

(ix) Leases:

As a lessee

Leases in which the Company has substantial portion of the risks and rewards of ownership are classified as finance leases. Assets acquired under finance leases are capitalised at the lower of the fair value of the leased assets at the inception of the lease term and the present value of minimum lease payments. Lease payments are apportioned between the finance charge and the reduction of the outstanding liability. The finance charge is allocated to periods during the lease term at a constant periodic rate of interest on the remaining balance of the liability.

Cost of leasehold land (other than those which will be converted to freehold after a certain period upon satisfying prescribed conditions) is amortised over the lease term.

Leases in which the Company doesn't have substantial portion of the risks and rewards of ownership are classified as operating leases. Payment made under operating leases are charged to statement of profit and loss on a straight line basis.

As a lessor

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return of the net investment outstanding in respect of the leases.

Lease income from operating leases, where the Company is a lessor, is recognised as income on a straight line basis. The respective leased assets are disclosed as investment properties.

(x) Taxes on Income:

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act 1961.

Deferred tax expense or benefit is recognized on timing differences being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax asset in respect of unabsorbed depreciation and carry forward of losses are recognized only to the extent that there is virtual certainty that sufficient taxable income will be available to realize these assets. All other deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available to realize these assets.

(xi) Impairment of assets:

At each balance sheet date, the Company assesses whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the asset exceeds its estimated recoverable amount, an impairment loss is recognised in the Statement of Profit and Loss to the extent the carrying amount exceeds recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest level of which that are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(xii) Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid as per payment terms. They are recognised initially at their fair value and subsequently measured at amortised cost.

(xiii) Borrowings:

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost using effective interest method.

(xiv) Provisions and Contingent Liabilities:

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, for which it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(xv) Cash and cash equivalents:

Cash and cash equivalents includes cash and cheques on hand, current accounts and fixed deposit accounts with banks with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(xvi) Earning per share (basic and diluted):

Earning per share is calculated by dividing the profit attributable to owners of the company by the weighted average number of equity shares outstanding during the financial year.

(i) The fixed assets of the company are currently valued at nominal values, as they have been fully depreciated or written down over time. These assets continue to be carried at zero book cost in the financial statements. The company has not undertaken any recent revaluation of these assets in excess of their fair value or current utility.

(ii) A vehicle that was disposed of in previous years had not been recouped as such in the Fixed Assets Schedule of the financial statements. The disposal has been accounted for during the current year. As the asset was carried at a nominal value, there is no material impact on the financial statements.
